

# FLATIRON STEEL

## FLASHING DETAILS

3' TUF RIB / 3' DELTA RIB / 2' DELTA RIB

All specifications are designed to be used with panel profile heights of 3/4".

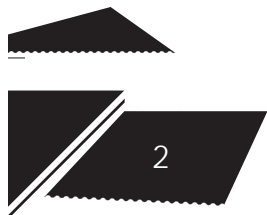

Each order is made specifically to match the needs of that particular customer. Standard trim is available in 10'2" and 12'0" lengths.

If needed, custom trim is available in all colors, 10'2" and 12'0" lengths, and will be priced based upon the desired profiles' girth (width before bending), and length.

Material used for 3' exposed fastener panels is typically made in 29 and 26 gauge material. It is available upon special request in 24 gauge.

Please call for details.

Flatiron Steel only stocks trim item numbers FS126A and FS126B. All other trim flashing is made to order.
